

## **CURATOR BIOGRAPHY**

Jeff Stvan

Jeff Stvan (born 1964) is the editorial assistant for *Design Issues*, a scholarly journal of design history, theory, and criticism published by the University of Illinois at Chicago College of Architecture, Art, and Urban Planning and MIT Press. Since 1985, Stvan has served as a member of the Faculty Search Committee for the University of Illinois at Chicago History of Architecture and Art Department. His other research interests include historic preservation, product and graphic design theory and history, and exhibition design.

Stvan curated *Through Amateur Eyes* under the direction of Karen Indeck.
