PATRIOT PROGRAM.

WHAT WE DEMAND

1. We demand freedom. We demand power to determine the destiny of our oppressed white community.
2. We demand full employment for oppressed white people, and that the means of production should be placed in the hands of the people.
3. We demand an end to the robbery by the capitalists of our oppressed white community; we demand that they do not make a profit on things we need for survival.
4. We demand decent and adequate housing, fit for shelter of human beings, regardless of our income.
5. We demand education that exposes the true nature of this decadent American society; that teaches us our true history; that teaches us cooperation rather than competition.
6. We demand that all oppressed white people be exempt from military service.
7. We demand an immediate end to police brutality and murder of oppressed white people, and that the people of our community control the police.
8. We demand freedom for all oppressed white people held in federal, state, county and city prisons, and that all our people be tried by a jury of their peers or from their communities.
9. We demand the end of the rape of our land by the corporations and monopoly farmers, and the land be returned to the people to meet their basic needs.
10. We demand an end to racism, and the inequality of the sexes, as tools of capitalism to divide the people.

WE DEMAND THESE THINGS IN THE INTEREST OF THE PEOPLE, AND WE THE PEOPLE WILL HAVE THEM AND DEFEND THEM BY ANY MEANS NECESSARY.

The Patriot Party Program is a Peoples' Program. The Program of the Patriot Party is a Program of oppressed white people of the United States. The 10 Point Program came from the people themselves. The people were asked, "What is it that you want? that you need? that you desire to see?" and the people answered. What the people answered was based on their real life experiences. The peoples' answers are based on the day to day reality of their lives. And the reality of the peoples' lives is reality made up of not enough to eat, lack of decent clothing, lack of decent housing, lack of good medical care, lack of justice, police brutality, taxation, being drafted into the pig army, being abused and forgotten, being purposely kept miseducated about the true nature of this country. Used by those in power - capitalists - to maintain the privileges of a very small minority at the expense of the majority of the people. The people make their own needs known to the Patriot Party and the Patriot Party put these together into the 10 Point Program.

After we listened to the people, we heard that the people were asking for Socialism. The people themselves, after years of being brainwashed about the evils of anything opposed to the so-called "free enterprise" capitalist system are aware that they themselves, through history, know Socialism - through their practice of cooperation with each other to survive in a world kept purposely cold and lean by those in power. The people have always helped one another out - cooperated with one another. Built barns together, built the country together, shared their food, shared their wine. The people have always practiced primitive socialism. What the Patriot Party is doing is learning from this practice and bringing it back to the people in socialist programs. We want the people to practice it in the open and on a wider scale. We have Breakfast Programs that show the people that they don't need anybody to feed their hungry children, that they can feed themselves.

We also have medical programs that educate the people

to the fact that they can take care of their own medical needs. All the Peoples' Programs are part of the community and eventually will be run and expanded and enlarged by the people themselves. This is how the Party educates the people - not by talking about our ideas, but acting on them. We know it is better for people to cooperate with one another than compete with one another. The people learn through participation and observation that it is better to cooperate with one another than to compete. And the people are cooperating all over the country from Yorkville and New Haven in the northeast to Eugene, Oregon on the west coast. And everywhere the Patriots go, we take our Programs. Programs may differ from location to location as our programs are created according to the peoples' needs (Housing - NY, Free Wood - Oregon). But every program has the same goal in mind - to educate the people through example to Socialism. A system where economic competition is reduced to a minimum. Where all people have the basic human rights - not civil rights - of food, clothing, education, housing and medical care - everything the wealthy in this country take for granted.

WE DEMAND THESE THINGS IN THE INTEREST OF THE PEOPLE, AND WE THE PEOPLE WILL HAVE THEM AND DEFEND THEM BY ANY MEANS NECESSARY.

Because of the threat that the Patriots are to the handful of Rockefellers, DuPonts, Morgans and other billionaires who control this country, we know that we have to bear arms in defense of the Peoples' Programs. Talking to the capitalists about socialism is like talking to the mortician about eternal life.

We are the true Patriots, Revolutionaries, who relate to the Constitution of the United States. That it is our right to bear arms in self defense.

Patriot Party Supports Bobby Seale

The Chairman of the Black Panther Party, Bobby Seale, is now on trial for his life. We of the Patriot Party see this as an attack, not only on the Black Panther Party, but as an attack on all oppressed people in America. The Vanguard of the oppressed masses practice solidarity, we recognize each other as revolutionary comrades-in-arms. The struggle of poor black, white and brown people in this country is one against a common oppressor. Through the people's programs, the political level of the masses of poor white people has been raised to the point where sections of this oppressed mass recognize the Chairman of the Black Panther Party as a Warrior for all the oppressed, and do not judge him along subjective, personal lines of race. The Patriot Party has, through example, not rhetoric, moved the poor white communities toward demanding their right for survival, and that anyone fighting for this must be allowed to continue and intensify the struggle.

Poor and oppressed white people, the people of Appalachia, Uptown Chicago, northern industrial cities and the rural south, have always known that action speaks louder than words. The Patriot Party is dealing on the level of survival with the objective realities of hunger, inadequate housing, disease and miseducation.

We must realize that only through practical revolutionary programs can the masses of the people recognize the true oppressors, only through education by example can the oppressed people achieve solidarity.

Bobby Seale is recognized by the three Revolutionary Parties - the Patriot Party, the Black Panther Party and the Young Lords Organization and the oppressed masses we serve as a Revolutionary, because he serves the needs of the people. POWER TO THE PEOPLE

"TO BE A REVOLUTIONARY IS TO BE AN ENEMY OF THE STATE, TO BE ARRESTED FOR THIS STRUGGLE IS TO BE A POLITICAL PRISONER."

PATRIOT PARTY ATTACKED

BUST OF THE CENTRAL COMMITTEE OF THE PATRIOT PARTY

For a while now the Patriot Party has known that we have been raising the level of the struggle in New York City, at least in the Yorkville area. We didn't realize at this point that we had disturbed the fascist pigs to the point that the level of the struggle has been raised to its present point here in fascist America. But on Sunday night, February 22, at 7:00, 12 members of the Patriot Party including the Central Committee were about to enjoy a fried chicken dinner when fascist bootlicking, roof-stomping, storm-trooping pigs busted through our door, shaking and quivering like pigs always do, they held revolvers on us and the children and put guns to the heads of the children and demanded that we give up our right to protect ourselves. They took us down to the station, to the pig station just on the outskirts of Harlem and put the nine men into a chicken coop, width about 6 X 6 feet, with no benches, 100 cigarette butts, liquids and dirt all over the floor and cans full of feces with no toilet paper. It's like just saying we are animals that don't deserve humane treatment. The only animals we know are pigs with blue suits and helmets, and the pigs refused, of course, to grant us any rights. Are there no rights of oppressed people in a fascist country? Myself (Preacherman) and Larry Moore, a member of the Party, were taken handcuffed downstairs to supposedly watch the inspection of the people's cars. At that time a large crowd was gathering outside the pig station (it had to be primarily a crowd of Black youth because of the location of the pig station). The Black youth said, "release our brothers", and what this means to us is that solidarity goes down to the basic level of the people. This was shown to us in the jail, in the jails of this fascist pig town.

When we rapped to the people in the jails, they knew where we were coming from—White and Black, because they were all being subjected to the same fascist rule. We know at this time that the level of struggle is getting higher and the basic charges with which we were charged have been enlarged upon, because the pigs want to say that we had a hand in the bombing of Judge Murtagh's house (he's the judge, the fascist pig judge, trying the Panther 21 case) and we also were implicated in shooting and sniping at pigs in New York City and we were questioned thoroughly about this. We heard not one word about it until we were in open court and the Assistant District Attorney named those charges against us, so we know that a concerted effort has been started to eliminate the Patriot Party and that in this raid, the Central Committee and area defense captains were arrested along with us, but we know the Party won't cease because "the spirit of the people is greater than the man's technology" and he can't scare us by pointing guns or atom bombs in our face. The Party will carry on in solidarity with all oppressed people, the Black Panther Party, the Young Lords Organization, Los Sete de la Raza and all other groups and organizations representing the masses of oppressed people.

We would like to say to the students of America, progressive students of America, rise up with us and smash this fascist machine—rise up in firm belief of the people. To the people on the streets we would like to say: no longer allow yourselves to go to jail passively, there is a Party that represents the interests of the people and our people are free to take part in the liberation army of the people. We say to the petty bourgeois that we know your understanding and what I'm trying to say is that you can take part in this revolution if you are willing to have your thinking remolded. We say to all these people—ALL POWER TO THE PEOPLE and that if you've reached the level of struggle—the level of the struggle where you can see your life's value only in relationship to the people, to the Patriot Party, to the Black Panther Party, the Young Lords Organization, we would like to see you relate to reality. We'll be here—BECAUSE THE PEOPLE WILL ALWAYS BE HERE

ALL POWER TO THE PEOPLE!

PATRIOT PARTY ATTACKED BY FASCIST PIGS

The Patriot Party is a Revolutionary Party representing oppressed white people. We serve the basic needs of our People with Free Breakfast for Children, Free Medical Clinics, Free Food Program, Free Lumber and Liberation Schools. The Patriot Party is responding to the Peoples' needs by starting branches all over the country; wherever there are oppressed white people.

On Sunday night around 7:00 PM, Lindsay's fascist storm troopers kidnapped 7 Patriots and 1 child off the streets—without a warrant of any kind. The People had just gotten out of their car when the pigs ran after them, pointing guns. One pig put a gun to the eighteen month old child's head and threatened to kill him. Later, another one put a club to the baby's head and threatened to smash his head in if he didn't stop crying. The pigs then proceeded like crazy fools and madmen to smash down the door of one of the homes of the Patriots. The Patriots were making dinner when the pigs broke in and pointed guns at us, lined us up against the wall and handcuffed us. They also threatened to kill us. They didn't tell us who they were, they did not show any warrant and they didn't inform us we were under arrest or what the charges were. After we were brought to the pig station and put in cages, these criminals looted our home and stole and destroyed our property. Some of the things that were stolen were a tape recorder, tapes, money, suitcases, clothes, photographs, literature, jewelry a television, an electric shaver, medicine, portable radios and our movie—American Revolution II. These low natured pigs have no respect for the Peoples' property. Our home was ransacked, and what wasn't stolen was broken and destroyed.

AN ATTACK AGAINST THE PATRIOT PARTY IS AN ATTACK AGAINST ALL OPPRESSED PEOPLE

It is clear that the reason the Patriots were treated in this brutal manner is because we are serving the basic needs of the People, and we're educating poor white people about the true nature of this decadent fascist system.

The Press and the District Attorney have charged us with a conspiracy to bomb Judge Murtagh's house and sniping at certain policemen. These charges were never mentioned to us when we were arrested—and we were never questioned about them. This is another attempt by the fascist government and their lackeys to frame us and eliminate us with the same foul tactics they used on our Brothers and Sisters the Panther 21. But the fascists cannot destroy the Peoples' Party. As long as there is one oppressed white person, there will be a Patriot Party.

PIGS RUN AMUCK.

The Patriot Party charges Pig Hogan right up to Pig Nixon with conspiracy to wipe out the Patriot Party. It is obvious to the People that this oppressor government is attempting to charge certain members of the Patriot Party with bombing Fascist Judge Murtagh's house and also sniping at certain policemen. This is the same tactic used against our Brothers and Sisters of the Panther 21. The media quoted the pigs as having questioned the Patriots concerning these events. But those arrested were never questioned about it or asked about these acts. It is obvious that the arrests of certain members of the Patriot Party which occurred on February 22 was a smoke screen so that the federal government and Hogan could use the same tactic that wiped out the Panther 21 against the Patriot Party.

When the pigs kidnapped 12 members of the Patriot Party without a warrant, in their pig manner, they looted the People's house of cameras, tape recorders, tapes, TV's, films, money and jewelry. The fascist pigs destroy the People's property and steal from the People—they are the real criminals.

The Patriot Party serves the basic needs and desires of oppressed white people with such programs as Free Breakfast for Children, Free Food Programs, Free Medical Clinics, and Free Lumber Program. It is because of these programs that oppressed white people are, for the first time in the history of this decadent country, recognizing the true enemies of the People. Because the People are moving in the direction to determine their own destiny, the Peoples' Warriors must be eliminated. The Patriot Party will not stand still and see our People being oppressed. We will continue to struggle from one generation to the next.

SERVING THE PEOPLE IN EUGENE, OREGON

CHUCK ARMSBURY.
DEFENSE CAPTAIN AND POLITICAL PRISONER.

The Eugene Patriots

The Eugene Branch of the Patriot Party exists to serve the immediate needs (food, clothing, shelter) of the poor and oppressed people in Eugene and surrounding Lane County. We also serve the people's need to know why the situation in this country has gotten so much out of hand. Our point of departure is to demonstrate by example that "we practice what we preach" and that this includes the determination to rid this land of greedy clowns who masquerade as industrialists, managers, millionaires, militarists, landlords, politicians, and bureaucrats. These greedy clowns act like Kings and Queens who say they help you when they steal from you. They steal sons from poor families to go kill other low-down poor people in Viet Nam and Korea.

The greedy slicksters steal your money by charging super-high prices for materials we need for survival: Food, clothing, housing. They rob our families of unity and love by miseducating our kids to the true nature of this dog-eat-dog society so that our kids get dumber in school, drop out, get strung out on mind muddling drugs, and blame all parents for all this confusion and trouble.

JOHN BROWN BREAKFAST PROGRAM EUGENE BRANCH

The Patriot Party wholeheartedly serves and educates the people. We are here to do what the people want done and to do what is right. We believe it is time that the people of this country put into practice those time-honored, right beliefs about the rights to life, liberty and the pursuit of happiness for all the people, and end the practice of those wrong beliefs about the natural hatred among black, brown, red, yellow and poor white peoples, about the natural right to make a fat profit on every material item in our stores, about the natural situation where a man who is rich is "better" than a man who is poor, about the much-believed idea expressed in words like "well, that's the way things are" and "well, nothing can be done about these things."

We figure that a whole lot of white people have been waiting to hear it the way it is. Well, it's good to be here and we say that,

LANI, DAUGHTER OF SALLY WRIGHT, BRUTALLY BEATEN BY FASCIST PUNK.

My daughter and Patriot sister Lani, age 10, has helped get donations for the Patriot Party Breakfast Programs in Eugene and sold papers which tell the truth, Black Panther papers, and for this she lies in a hospital bed after 3 1/2 hours of brain surgery.

She was pushed off a railing by a man, while holding the papers in her lap, and fell on the concrete. This pig did not even turn around to see if she was hurt, he couldn't have cared less. Skull xrays showed a fracture, and further tests show a blood clot beneath the skull, a clot as big as a man's fist.

This injury was reported to the Eugene Police by Patriot Ian Timm but they have done nothing about it, as they say they never got the complaint. They say they are going to investigate now - we'll see. Past practice has shown that pigs help the rich and not the poor and oppressed.

We of the Patriot Party see that our children are not safe anymore in this land of Babylon. There must be an end to this brutality, and there won't be an end until the people take the power from the pigs and into their own hands. **THE PEOPLE HAVE HAD ENOUGH.**
