off the wall

August 21–September 22, 2001

Incorporating multiple figurative, abstract, narrative and fantastical references, the sculptures in "Off the Wall" are not visibly bound to convention or form. Their destabilized combinations of references create an oscillation between what is suggested and what is not, taunting viewers in a game of mental hide and seek. These eight artists approach sculpture as a proposition, creating works that revel in dislocation.

Organized by Gregory Sandoval and Sam Gordon

Reception
Wednesday, September 12
4–7 pm

Artist's Lecture
Melissa Pokorny
